

ACE MV - CNA Certified Nursing Aide Training Scholarships

Hospice Scholarships for CNA Training

Hospice and Palliative Care of Martha's Vineyard will be offering scholarships for CNAs to work with our hospice interdisciplinary team caring for people in their homes.

Hospice CNA Candidates qualifications include:

1. Desire to work with patients and families experiencing advanced illness and at the end-of-life.
2. Ability to work with an interdisciplinary team to ensure patient/family satisfaction.
3. Willing to provide care in homes or wherever the patient resides.
4. Self-motivated to provide excellent care independently.
5. High level of integrity and professional work ethic.
6. Fluent in conversational English and able to document in electronic medical record.
7. Preference for bilingual candidates who speak English and Portuguese or Spanish.
8. Must have own transportation.

Hospice Scholarship Terms:

Scholarships will be offered according to the following terms:

1. In person interviews will be conducted by Hospice and Palliative Care of Martha's Vineyard prior to program enrollment and acceptance.
2. Hospice maintains the final decision of offering scholarships to any candidate.
3. Applicants must agree to work at-will with hospice following the training for the equivalent of one full-time year or longer part-time period, based on hours/week worked.
4. Scholarships would pay tuition directly to ACE MV, and reimburse candidate for required text books.
5. Certification exam will be reimbursed upon providing a file copy of passing grade.
6. If the candidate does not complete the program, they agree to reimburse the hospice for tuition and books.
7. If the graduate CNA does not complete the year of employment as a satisfactory employee, they will reimburse the hospice for tuition and books on a pro-rated basis.
